Kudos

Congratulations on the Match!

Stephanie Angarita matched into Breast Surgery Fellowship at Cedars-Sinai

Annual Saleh Salehmoghaddam Lectureship

Dr. Clarence H. Braddock III, MD, MPH, MACP, Vice Dean for Education at David Geffen School of Medicine, served as the 2019 Saleh Salehmoghaddam lecturer. Dr. Saleh’s family members joined a large audience of physicians from the Departments of Medicine and Surgery in this annual event commemorating his innumerable contributions and unparalleled commitment to patient care and education. Dr. Ronald Busuttil offered opening remarks highlighting Dr. Saleh’s achievements and Dr. Jonathan Hiatt moderated the session.

Residency News

The Association of VA Surgeons Foundation has announced the Call for Submissions for the AVAS Foundation Resident Research Scholarship.

This is a one-year award (with possible competitive renewal for a second year) available to general surgical or surgical subspecialty residents with a faculty mentor who has at least a 5/8ths VA appointment.

Research proposals in clinical outcomes, health services research, education research, basic science, or translational research will be considered. The award is for $25,000 for one year. Application deadline is December 1, 2019

Info: vasurgeons@gmail.com; Chair of the Research Committee, Dr. Jason Gold, jgold@bwh.harvard.edu

Developing Faculty Competencies in Assessment: An Interactive Workshop for UCLA Clinical Educators

The UCLA GME team has collaborated with the ACGME to offer this 1.5 day course, which is targeted toward faculty with either leadership or front line teaching roles in medical education.

UCLA Simulation Center
700 Westwood Plaza, Suite A222
Los Angeles, California
February 06, 2020 to February 07, 2020

Topics/sessions include:

- Medical Educator Competencies Defined
- CBME 101: Reliability, Validity and Entrustment
- Improving Quantity and Quality of Workplace-Based Assessment through Direct Observation
- Providing Effective Feedback
- Common Challenges in the Clinical Environment: Remediation and Due Process
- Theory and Practice: Case-Based Simulation (Simulation Center)

The Viola Hyde Awards

Viola Hyde Surgical Research Scholars Application ($3000): applicant must be a medical student at UCLA and conducting research with a UCLA faculty member from any surgical department or division.

Viola Hyde Medical Student Travel Grant Application ($500-$1000): applicant must be a medical student at UCLA. Preference will go to students presenting research done with a UCLA Faculty member (poster or podium).

Deadlines for Submission: October 11, 2019

These Awards are made possible by a generous bequeathal from Ms. Hyde and the support of Dr. Andrea Cracchiolo, Emeritus Professor of Orthopaedic Surgery.

Please submit your applications by email to:
Jessica O’Connell, MD & Avital Harari, MD;
WISIG@mednet.ucla.edu
Danielle and Ian
Congratulations!
