

R4 Flex Resident Schedule (updated 6/14/2022)

* = Primary service. Round with team for the week, function as another member of the team. When covering *L, you need to be in house for critical trauma coverage as the senior on the team
 Other teams listed have senior residents missing and you are expected to be available for case coverage. If your "primary" team does not have cases, you are expected to cover cases for other services
